

Declaration of Owner supplying Camelids for Export to European Union / Great Britain

Exporter:

Farm No:

Scheduled date of export:

I of

being the owner/ manager of llamas / alpacas to be exported to the European Union / Great Britain and identified as*;

Identification System (Tattoo, ear tag, transponder etc)	Identification Number	Date of Birth (dd/mm/yyyy)	Sex (M/F/C)

*More rows contained in ANNEX I

hereby declare that to the best of my knowledge and belief:

1. The llamas / alpacas have not received:
 - any stilbene or thyrostatic substances;
 - oestrogenic, androgenic, gestagenic or β -agonist substances for purposes other than therapeutic or zootechnical treatment (as defined in Directive 96/22/EC issued by the European Union*)
2. The llamas / alpacas have been in New Zealand since birth; or the llamas / alpacas have been in New Zealand for at least the last six months prior to dispatch, without contact with cloven-hoofed animals imported into New Zealand within the last six months.
3. The llamas / alpacas have had no contact with animals of a lower health status since birth or at least 6 months prior to the date of dispatch
4. The llamas / alpacas do not come, and have not been in contact with animals, from premises on which the following diseases have been clinically detected during the times stated:
 - Contagious agalactia of sheep, within the last six months;
 - Paratuberculosis (Johne’s Disease), within the last twelve months;
 - Caseous lymphadenitis, within the last twelve months;
 - Pulmonary adenomatosis, within the last three years;
 - Maedi / Visna, within the last three years; and
 - Caprine Viral Arthritis / Encephalitis, within the last three years.

5. The llamas / alpacas have been free from clinical or other evidence of tuberculosis and brucellosis during the three years prior to export.

6. *Strike out one of the below ((i) OR (ii)) clauses as relevant:*

(i) The llamas / alpacas on the establishment have been subject to a whole herd test for TB, with a negative result, within the 12 months prior to the date of export on(dd/mm/yyyy) and

for a minimum period of 12 months prior to the date of export, accurate records have been kept of:

- All llamas / alpacas introduced to the property
- All llamas / alpacas that have departed from to the property
- A list of all births
- A list of all deaths that have occurred in llamas / alpacas over 9 months of age including the cause of death for each animal.

(a letter on practice letterhead confirming that a whole herd TB test has been conducted within the 12 months prior to export must be provided to the Recognised Person)

OR

(ii) The llamas / alpacas on the establishment have not been subject to a whole herd test for TB within the previous 12 months, with a negative result, and

for a minimum period of 24 months prior to the date of export, accurate records have been kept of:

- All llamas / alpacas introduced to the property
- All llamas / alpacas that have departed from to the property
- A list of all births
- A list of all deaths that have occurred in llamas / alpacas over 9 months of age including the cause of death for each animal.

Within this timeframe a veterinarian from practise..... has visited at least once between 12 to 24 months prior to the date of export and at least once during the 12 months prior to the date of export, to assess the health of all the animals in the herd (not only treatment of individual animals).

This occurred on(dd/mm/yyyy) and(dd/mm/yyyy)

7. All llamas / alpacas on the property are individually identified

8. There are no other camelids on the property

9. Any cattle or deer present on the property are not under restrictions for the control of bovine tuberculosis

10. The veterinarian most familiar with animal health on this property is:

Name:.....

Practise:

11. I authorise AsureQuality to make whatever enquiries are deemed necessary to ascertain the accuracy of this health information.
12. I agree to advise AsureQuality Live Animal Export Services (Freephone 0508 001122) of any changes to the above between the date of signing this declaration and the date the llamas / alpacas leave the property for export.
- The information that I have provided is true, correct and complete in every particular.
 - I have checked the identification of the animal(s) for which I am providing this declaration and it is as specified in this declaration.
 - I am aware that this declaration is made for the purposes of supporting export certification under the Animal Products Act 1999.
 - I have read section 127 (1) of the Animal Products Act 1999 and I am aware that section 127 (1) makes it an offence for a person to deceive under that Act.

ANIMAL PRODUCTS ACT 1999, SECTION 127 (1)

A person commits an offence who, with intent to deceive and for the purpose of obtaining any material benefit or avoiding any material detriment,-

- a) Makes any false or misleading statement or any material omission in any communication, application, record, or return for the purposes of this Act, or destroys, cancels, conceals, alters, obliterates, or fails to provide any document, record, return, or information required to be kept or communicated under this Act; or*
- b) Falsifies, removes, misuses, alters, misapplies, misrepresents, or fails to apply any brand or material or product description or other form of identification of animal material or animal product required or authorised to be used under this Act; or*
- c) Falsifies, removes, misuses, alters, misapplies, misrepresents, or fails to apply any identification, differentiation, or security system or device specified or approved or required under section 158; or*
- d) Misrepresents, substitutes in whole or in part, adulterates, or otherwise tampers with animal material or animal product to which this Act applies so that it no longer matches or complies with its identification, description, certificate, label, or official assurance; or*
- e) Falsifies, alters, or misapplies any certificate or declaration or other statutory form attached or relating to any animal material or animal product that is required or authorised to be used under this Act, or any official assurance, or tampers with any animal material or product that is subject to such a certificate, declaration, form, or assurance; or*
- f) Falsifies, removes, suppresses, or tampers with any samples, test procedures, test results, or evidence taken or seized by an animal product officer, official assessor, or other recognized or authorised person or body in the exercise of their functions or powers under this Act; or*
- g) Falsifies, removes, suppresses or tampers with any samples, test procedures, or test results taken by or for an operator of a registered risk management programme for the purposes of that programme or this Act, or by or for a person subject to the requirements of a regulated control scheme for the purposes of that scheme or this Act; or*
- h) Aids, abets, incites, counsels, procures, or conspires with any other person to commit an offence under this section.*
